

TICKETS NOW ON SALE FOR LANDMARK CINEMAS' AURORA REGINA
FEATURING LUXURY RECLINER SEATING AND LASER PROJECTION
GRAND OPENING FRIDAY, OCTOBER 4, 2019

FOR IMMEDIATE RELEASE

CALGARY, ALBERTA, September 23, 2019 – Landmark Cinemas announces that tickets are now on sale in advance of the grand opening on Friday, October 4. The new theatre, one of Canada’s first exclusively luxury recliner seating and laser projection movie-going experiences, is located at the Aurora Shopping Centre, Regina’s newest regional retail site located at Victoria Avenue East and the new Trans-Canada Highway Bypass, across from Costco.

All eight of the theatre’s auditoriums feature Landmark’s luxury recliner power seating in a full-stadium configuration and laser projection. This new premium movie-going experience, without the premium price, features the clearest and most vibrant on-screen presentation, courtesy of state-of-the-art laser projection. It also features motorized, fully reclining seats with extended footrest to provide each guest with a significant increase in personal space and a relaxing, disruption-free movie experience.

Landmark Cinemas Aurora will also feature Regina’s first Laser Ultra movie experience, a state-of-the-art sound and projection experience featuring Barco’s laser projection system coupled with immersive DOLBY Atmos® sound. The theatre’s new Laser Ultra experience offers superior image quality with exceptional brightness level, increased contrast ratio and vivid colors for a radically improved RealD 3D movie experience. DOLBY Atmos® produces breathtaking sound quality that puts movie-goers in the action, creating a truly immersive experience.

Movie Lovers may purchase their advance tickets and reserve their seats for free at landmarkcinemas.com for a selection of films including *The Joker*, *Downton Abbey*, *Rambo: Last Blood*, *Abominable* and *Maleficent: Mistress of Evil*. Tickets may also be purchased in advance through ATOM Tickets, the first of its kind cinema mobile ticketing and concession purchase platform and app that enables guests to skip lineups at the box office and concession.

“Experiencing a movie in the comfort of our premium recliner seat is a transformative experience,” offered Bill Walker, Chief Executive Officer, Landmark Cinemas “and coupled with the brilliant presentation of laser projection, including the unsurpassed visual and sound experience of Laser Ultra, we are thrilled to share a modernized movie-going experience with Movie Lovers in Regina and its surrounding regions.”

Blair Forster, President, Forster Harvard Development Corp. said: “This is not only an exciting and long-awaited day for our company and our project, it is an exciting day for the citizens of Regina. This is the first new theatre opening in our community in over fifteen years and we are proud that Landmark Cinemas chose Aurora to deliver this cutting-edge theatre experience.”
